

Rocket Lab authorizes shipment of the product stated below, as dispositioned by our engineering team. This Supplier Concession Authorization serves as formal approval for a supplier to ship parts to Rocket Lab that are non-conforming or suspected to be non-conforming to Rocket Lab technical and/or PO requirements.

A supplier shall not ship to Rocket Lab without prior approval via an approved SCR as this could result in a supplier non-conformance.

1. SUPPLIER & PART INFORMATION		SCR No.	
Overall references and traceability details			
Supplier Name		Date Created	
RL Part No. / Rev		Purchase Order No.	
RL Part Description		Quantity Affected	
		Supplier Lot/ Batch/SN	

2. PROBLEM DESCRIPTION
Non-conformance/issue details or failure symptom. State specifically the deviated condition against the specification. Attach evidence/photos where possible.
<div></div>
<b>Attachments:</b> <div></div>

3. ROOT CAUSE / CORRECTIVE ACTION
State root cause and corrective actions if known, to prevent recurrence/further concessions. Attach evidence/photos where possible.
<div></div>
