Group	Testing, Inspection, & Traceability
Clause	Supplier shall furnish an inspection report for each lot of parts submitted with 100% of dimensions reported for each serialized part. For lot-traced parts, sample inspection is allowed provided agreement is reached between Rocket Lab and the supplier. The report shall include drawing characteristics and recorded values for the range of measurements(s) of the lot, as required by the customer's inspection sampling requirement. The supplier shall follow, at a minimum, the inspection requirements specified in other technical documents including the purchase order/contract, drawings, and/or specifications cited on the drawing. Inspection reports shall be traceable to the certificate of conformance provided with the parts at the time of shipment to Rocket Lab. Dimensions reported shall match the feature identifier numbers located on the drawing.
